

HOME OCCUPATION PERMIT APPLICATION
Centerton Planning Code 14.04.10 (A)

A Business License will not be issued for any Home Occupation without an approved HOP (Home Occupation Permit).

Home occupations that meet all the requirements of Code 14-04.10 (A) may be granted Administrative approval for Permits with specific provisions. Home occupations that do not meet one or more of the requirements must be approved by the Planning Commission through the Conditional Use Permit procedure (See Conditional Use Permit Application and code 14.04.10 (B) or Large-Scale Development procedure.

Although administrative approvals can often be processed by a member of the Centerton Planning staff upon submittal; it does depend on staff workload and/or receipt of all/completed information at time of submittal. Approval can take up to 7 business days to review and/or issue a permit approval.

Please complete the attached two (2) page Application and submit for Planning staff review, along with a **\$25.00 application fee** at City Hall 200 Municipal Dr, Centerton.

If approved, the HOP Application will be returned to you with the bottom portion (*labeled for staff use only*) completed. This will be your Home Occupation Permit and therefore should be kept for your records and accessible for future reference.

For your convenience a Business License Application is attached in the event you would like to complete and submit it with your HOP application for quicker turnaround time upon approval of the HOP.
